## Product Datasheet

### **Anti-NADH2/Mtnd2 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal** **BOB-A32839-1-FLUORO488**

|                          |                                                                                                                                                                  |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NADH2/Mtnd2 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                                      |
| Artikelnummer            | BOB-A32839-1-FLUORO488                                                                                                                                           |
| Hersteller Artikelnummer | A32839-1-Fluoro488                                                                                                                                               |
| Alternativnummer         | BOB-A32839-1-FLUORO488-100UG                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                       |
| Applikation              | FC                                                                                                                                                               |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                       |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of rat NADH2/Mtnd2, which shares 80% amino acid (aa) sequence identity with mouse NADH2/Mtnd2. |
| Klonalität               | Polyclonal                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 14377 MW                                                                                                                            |
| NCBI                     | <a href="#">26194</a>                                                                                                                                            |
| UniProt                  | <a href="#">P11662</a>                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na2HPO4, 0.02% NaN3.                                                                                            |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | NADH-ubiquinone oxidoreductase chain 2                               |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
