### Hyaluronan synthase 1/HAS1 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB526995

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Hyaluronan synthase 1/HAS1 Rabbit Polyclonal Antibody, Unconjugated                                                                                      |
| Artikelnummer            | BYT-ORB526995                                                                                                                                            |
| Hersteller Artikelnummer | orb526995                                                                                                                                                |
| Alternativnummer         | BYT-ORB526995-100                                                                                                                                        |
| Hersteller               | Biorbyt                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human Hyaluronan synthase 1/HAS1, identical to the related mouse and rat sequences. |
| Konjugation              | Unconjugated                                                                                                                                             |
| Produktbeschreibung      | Anti-Hyaluronan synthase 1/HAS1 Antibody. Tested in IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat....                       |
| Klonalität               | Polyclonal                                                                                                                                               |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                |
| Molekulargewicht         | 70 kDa                                                                                                                                                   |

|                        |                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q92839</a>                                                                                                                 |
| Puffer                 | Contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                     |
| Formulierung           | Lyophilized                                                                                                                            |
| Target-Kategorie       | Hyaluronan synthase 1                                                                                                                  |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml Immunocytochemistry/Immunofluorescence, 2µg/ml |
