## Product Datasheet

### **HAUSP/USP7 Mouse Monoclonal Antibody, Clone: [Clone: 5E2], Unconjugated BYT-ORB527066**

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | HAUSP/USP7 Mouse Monoclonal Antibody, Clone: [Clone: 5E2], Unconjugated                                                                              |
| Artikelnummer            | BYT-ORB527066                                                                                                                                        |
| Hersteller Artikelnummer | orb527066                                                                                                                                            |
| Alternativnummer         | BYT-ORB527066-100                                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                                              |
| Wirt                     | Mouse                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                    |
| Immunogen                | E.coli-derived human HAUSP/USP7 recombinant protein (Position: L258-D483).                                                                           |
| Konjugation              | Unconjugated                                                                                                                                         |
| Produktbeschreibung      | Anti-HAUSP/USP7 Antibody (monoclonal, 5E2). Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                           |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                            |

|                        |                                                                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Klon-Bezeichnung       | [Clone: 5E2]                                                                                                                                                                                 |
| Molekulargewicht       | 140 kDa                                                                                                                                                                                      |
| UniProt                | <a href="#">Q93009</a>                                                                                                                                                                       |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                                                                             |
| Formulierung           | Lyophilized                                                                                                                                                                                  |
| Target-Kategorie       | Ubiquitin carboxyl-terminal hydrolase 7                                                                                                                                                      |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml Immunocytochemistry/Immunofluorescence, 2µg/ml Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells |
