### KCC2/SLC12A5 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB546350

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | KCC2/SLC12A5 Rabbit Polyclonal Antibody, Unconjugated                                                              |
| Artikelnummer            | BYT-ORB546350                                                                                                      |
| Hersteller Artikelnummer | orb546350                                                                                                          |
| Alternativnummer         | BYT-ORB546350-100                                                                                                  |
| Hersteller               | Biorbyt                                                                                                            |
| Wirt                     | Rabbit                                                                                                             |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | ELISA, IHC, WB                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                  |
| Immunogen                | E.coli-derived human KCC2/SLC12A5 recombinant protein (Position: A228-N833).                                       |
| Konjugation              | Unconjugated                                                                                                       |
| Produktbeschreibung      | Anti-KCC2/SLC12A5 Antibody. Tested in ELISA, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                         |
| Konzentration            | 500 µg/ml                                                                                                          |
| Molekulargewicht         | 126 kDa                                                                                                            |
| UniProt                  | <a href="#">Q9H2X9</a>                                                                                             |

|                        |                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Formulierung           | Lyophilized                                                                                                      |
| Target-Kategorie       | Solute carrier family 12 member 5                                                                                |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml ELISA, 0.1-0.5µg/ml      |
