## Product Datasheet

### Hsp27/HSPB1 Mouse Monoclonal Antibody, Clone: [3H3], Unconjugated BYT-ORB570310

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Hsp27/HSPB1 Mouse Monoclonal Antibody, Clone: [3H3], Unconjugated                                                                                    |
| Artikelnummer            | BYT-ORB570310                                                                                                                                        |
| Hersteller Artikelnummer | orb570310                                                                                                                                            |
| Alternativnummer         | BYT-ORB570310-100                                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                                              |
| Wirt                     | Mouse                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                |
| Immunogen                | E.coli-derived human Hsp27/HSPB1 recombinant protein (Position: M1-K205). Human Hsp27 shares 83% amino acid (aa) sequence identity with mouse Hsp27. |
| Konjugation              | Unconjugated                                                                                                                                         |
| Produktbeschreibung      | Anti-Hsp27/HSPB1 Antibody (monoclonal, 3H3). Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human....            |
| Klonalität               | Monoclonal                                                                                                                                           |
| Konzentration            | 500 µg/ml                                                                                                                                            |
| Klon-Bezeichnung         | [3H3]                                                                                                                                                |

|                        |                                                                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molekulargewicht       | 27 kDa                                                                                                                                                                                       |
| UniProt                | <a href="#">P04792</a>                                                                                                                                                                       |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                                                                             |
| Formulierung           | Lyophilized                                                                                                                                                                                  |
| Target-Kategorie       | Heat shock protein beta-1                                                                                                                                                                    |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml Immunocytochemistry/Immunofluorescence, 2µg/ml Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells |
