### Cytochrome C/CYCS Rabbit Polyclonal Antibody, Unconjugated BYT-ORB610893

|                          |                                                                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Cytochrome C/CYCS Rabbit Polyclonal Antibody, Unconjugated                                                                                 |
| Artikelnummer            | BYT-ORB610893                                                                                                                              |
| Hersteller Artikelnummer | orb610893                                                                                                                                  |
| Alternativnummer         | BYT-ORB610893-100                                                                                                                          |
| Hersteller               | Biorbyt                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                 |
| Applikation              | FC, ICC, IF, IHC, IHC-Fr, WB                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                          |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human Cytochrome C, identical to the related mouse and rat sequences. |
| Konjugation              | Unconjugated                                                                                                                               |
| Produktbeschreibung      | Cytochrome C/CYCS Rabbit Polyclonal Antibody...                                                                                            |
| Klonalität               | Polyclonal                                                                                                                                 |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                  |
| Molekulargewicht         | 14 kDa                                                                                                                                     |
| UniProt                  | <a href="#">P99999</a>                                                                                                                     |

|                        |                                                                                                                                                                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains antibody formulated with stabilizing components, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Thimerosal, 0.05mg NaN <sub>3</sub> .<br>*This antibody is supplied in a stabilized formulation. Compatibility with conjugation reactions depends on the chemistry of the |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                                               |
| Target-Kategorie       | Cytochrome c                                                                                                                                                                                                                                                                                              |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Rat, Mouse<br>Immunohistochemistry (Frozen Section), 0.5-1µg/ml, Human, Rat, Mouse<br>Immunocytochemistry, 0.5-1µg/ml, Human, - Immunocytochemistr                                  |
