Product Datasheet

Anti-Lassa Virus, Nucleoprotein (Clone LV-0002)- Purified No Carrier Protein, Mouse, Monoclonal ABI-12-8226

Artikelname	Anti-Lassa Virus, Nucleoprotein (Clone LV-0002)- Purified No Carrier Protein, Mouse, Monoclonal
Artikelnummer	ABI-12-8226
Hersteller Artikelnummer	12-8226
Alternativnummer	ABI-12-8226-250UG
Hersteller	Abeomics
Wirt	Mouse
Kategorie	Antikörper
Produktbeschreibung	Specificity: Anti-Lassa Virus (Clone LV-0002) is specific for the Nucleoprotein of Lassa Virus. Background: Lassa virus, a member of the Arenaviridae family, is a zoonotic pathogen primarily found in West Africa, particularly in regions such as Niger...
Klonalität	Monoclonal
Reinheit	Purity: 90% Preparation: This monoclonal antibody is purified by ion exchange chromatography.
