Product Datasheet

Anti-Lassa Virus, Nucleoprotein (Clone LV-0008)- Purified No Carrier Protein, Clone: [LV-0008], Rabbit, Monoclonal ABI-12-8228

Artikelname	Anti-Lassa Virus, Nucleoprotein (Clone LV-0008)- Purified No Carrier Protein, Clone: [LV-0008], Rabbit, Monoclonal
Artikelnummer	ABI-12-8228
Hersteller Artikelnummer	12-8228
Alternativnummer	ABI-12-8228-250UG
Hersteller	Abeomics
Wirt	Rabbit
Kategorie	Antikörper
Produktbeschreibung	Specificity: Anti-Lassa Virus (Clone LV-0008) is specific for the Nucleoprotein of Lassa Virus. Background: Lassa virus, a member of the Arenaviridae family, is a zoonotic pathogen primarily found in West Africa, particularly in regions such as Niger...
Klonalität	Monoclonal
Klon-Bezeichnung	[LV-0008]
Reinheit	Purity: 90% Preparation: This monoclonal antibody is purified by ion exchange chromatography.
Application Verdünnung	ELISA, Lateral Flow
