| Artikelname              | Polyclonal Antibody to beta-Catenin (Phospho-Ser33), Rabbit                                            |
| Artikelnummer            | ABI-35-1204                                                                                            |
| Hersteller Artikelnummer | 35-1204                                                                                                |
| Alternativnummer         | ABI-35-1204-100UL                                                                                      |
| Hersteller               | Abeomics                                                                                               |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | IF, IHC, WB                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                      |
| Immunogen                | Peptide sequence around phosphorylation site of serine 33 (L-D-S(p)-G-I) derived from Human b-Catenin. |
| Produktbeschreibung      | Involved in the regulation of cell adhesion and in signal transduction through the Wnt pathway....     |
| Klonalität               | Polyclonal                                                                                             |
| NCBI                     | <a href="#">1499</a>                                                                                   |
| UniProt                  | <a href="#">P35222</a>                                                                                 |
| Formulierung             | Purified                                                                                               |
| Target-Kategorie         | Beta-Catenin (Phospho-Ser33)                                                                           |

|                        |                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------|
| Application Verdünnung | Predicted MW: 92kd, Western blotting: 1:500~1:1000,<br>Immunohistochemistry: 1:50~1:100 |
