| Alternativnummer         | ABI-35-1343-100UL                                                                                                                                                                                |
| Hersteller               | Abeomics                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | WB                                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                            |
| Immunogen                | Peptide sequence around phosphorylation site of serine 602 (R-A-S(p)-A-I) derived from Human Niban.                                                                                              |
| Produktbeschreibung      | Regulates phosphorylation of a number of proteins involved in translation regulation including EIF2A, EIF4EBP1 and RPS6KB1. May be involved in the endoplasmic reticulum stress response Vill... |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| NCBI                     | <a href="#">116496</a>                                                                                                                                                                           |
| UniProt                  | <a href="#">Q9BZQ8</a>                                                                                                                                                                           |
| Formulierung             | Purified                                                                                                                                                                                         |
| Target-Kategorie         | Niban (Phospho-Ser602)                                                                                                                                                                           |

|                        |                                                     |
