| Alternativnummer         | ABI-35-1559-50-50UL                                                                                                                                                                              |
| Hersteller               | Abeomics                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | WB                                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                            |
| Immunogen                | Peptide sequence around aa.1195~1199 (A-E-Y-L-R) derived from Human EGFR.                                                                                                                        |
| Produktbeschreibung      | Receptor for EGF, but also for other members of the EGF family, as TGF- $\alpha$ , amphiregulin, betacellulin, heparin-binding EGF-like growth factor, GP30 and vaccinia virus growth factor.... |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| NCBI                     | <a href="#">1956</a>                                                                                                                                                                             |
| UniProt                  | <a href="#">P00533</a>                                                                                                                                                                           |
| Formulierung             | Purified                                                                                                                                                                                         |
| Target-Kategorie         | EGFR (Ab-1197)                                                                                                                                                                                   |

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Application Verdünnung | Predicted MW: 175kd, Western blotting: 1:500~1:1000 |
