| Kategorie                | Antikörper                                                                                                                                                                                                                     |
| Applikation              | WB                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                          |
| Immunogen                | Peptide sequence around aa.420~424(I-K-K-A-T) derived from Human ESA (FLOT2).                                                                                                                                                  |
| Produktbeschreibung      | May act as a scaffolding protein within caveolar membranes, functionally participating in formation of caveolae or caveolae-like vesicles. May be involved in epidermal cell adhesion and epidermal structure and function.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                     |
| NCBI                     | <a href="#">2319</a>                                                                                                                                                                                                           |
| UniProt                  | <a href="#">Q14254</a>                                                                                                                                                                                                         |
| Formulierung             | Purified                                                                                                                                                                                                                       |

|                        |                                                    |
