## Product Datasheet

### [KO Validated] HNRNPA2B1 Rabbit pAb, Unconjugated, Polyclonal ABB-A1162

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | [KO Validated] HNRNPA2B1 Rabbit pAb, Unconjugated, Polyclonal                                  |
| Artikelnummer            | ABB-A1162                                                                                      |
| Hersteller Artikelnummer | A1162                                                                                          |
| Alternativnummer         | ABB-A1162-100UL, ABB-A1162-20UL                                                                |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, IF, IHC-P, WB                                                                           |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 37kDa                                                                                          |
| NCBI                     | <a href="#">3181</a>                                                                           |
| UniProt                  | <a href="#">P22626</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:1000 - 1:5000 IHC-P,1:50 - 1:200 IF/ICC,1:100 - 1:500 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics<br>Nuclear Signaling,RNA Binding. Shipping: Ice Bag                                                                             |
