## Product Datasheet

### **[KO Validated] SHP2 Rabbit pAb, Unconjugated, Polyclonal ABB-A12486**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | [KO Validated] SHP2 Rabbit pAb, Unconjugated, Polyclonal                                       |
| Artikelnummer            | ABB-A12486                                                                                     |
| Hersteller Artikelnummer | A12486                                                                                         |
| Alternativnummer         | ABB-A12486-100UL, ABB-A12486-20UL                                                              |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, IF, IP, WB                                                                              |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 68kDa                                                                                          |
| NCBI                     | <a href="#">5781</a>                                                                           |
| UniProt                  | <a href="#">Q06124</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                                                                                                                                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:2000 IF/ICC,1:50 - 1:200 IP,0.5µg-4µg antibody for 200µg-400µg extracts of whole cells ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                                                                                                            |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Protein phosphorylation,Signal Transduction,Kinase,Tyrosine kinases,ErbB-HER Signaling Pathway,Cell Biology Developmental Biology,Endocrine Metabolism,Insulin Receptor Signaling Pathway,Immunology Inflammation,B Cell Receptor Signaling Pathway,Jak-Stat-IL-6 Receptor Signaling Pathway,Neuroscience.<br>Shipping: Ice Bag |
