## Product Datasheet

### Asymmetric DiMethyl-Histone H3-R2 Rabbit pAb, Unconjugated ABB-A3155

|                          |                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Asymmetric DiMethyl-Histone H3-R2 Rabbit pAb, Unconjugated                                                                                                             |
| Artikelnummer            | ABB-A3155                                                                                                                                                              |
| Hersteller Artikelnummer | A3155                                                                                                                                                                  |
| Alternativnummer         | ABB-A3155-20UL, ABB-A3155-100UL                                                                                                                                        |
| Hersteller               | ABclonal                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | ELISA, IF, WB                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                                  |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                           |
| Molekulargewicht         | 15 kDa                                                                                                                                                                 |
| NCBI                     | <a href="#">8290</a>                                                                                                                                                   |
| UniProt                  | <a href="#">Q16695</a>                                                                                                                                                 |
| Reinheit                 | Affinity purification                                                                                                                                                  |
| Application Verdünnung   | WB,1:100 - 1:500 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat,Other (Wide Range Predicted).<br>ResearchArea: Epigenetics Nuclear Signaling,Protein phosphorylation,Signal Transduction,MAPK-Erk Signaling Pathway.<br>Shipping: Ice Bag |
