## Product Datasheet

### Phospho-Smad2-S467 Rabbit pAb, Unconjugated ABB-AP0269

|                          |                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-Smad2-S467 Rabbit pAb, Unconjugated                                                                                                                            |
| Artikelnummer            | ABB-AP0269                                                                                                                                                             |
| Hersteller Artikelnummer | AP0269                                                                                                                                                                 |
| Alternativnummer         | ABB-AP0269-20UL, ABB-AP0269-100UL                                                                                                                                      |
| Hersteller               | ABclonal                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                  |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                           |
| Molekulargewicht         | 52kDa                                                                                                                                                                  |
| NCBI                     | <a href="#">4087</a>                                                                                                                                                   |
| UniProt                  | <a href="#">Q15796</a>                                                                                                                                                 |
| Reinheit                 | Affinity purification                                                                                                                                                  |
| Application Verdünnung   | WB,1:500 - 1:1000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics<br>Nuclear Signaling,Transcription Factors,Protein<br>phosphorylation,Cancer,Signal Transduction,Cell Biology<br>Developmental Biology,Growth factors,TGF-b-Smad Signaling<br>Pathway,ESC Pluripotency and Differentiation,Stem<br>Cells,Cardiovascular,Angiogenesis. Shipping: Ice Bag |
