## Product Datasheet

### Phospho-STAT3-S727 Rabbit pAb, Unconjugated ABB-AP0474

|                          |                                                                                 |
|--------------------------|---------------------------------------------------------------------------------|
| Artikelname              | Phospho-STAT3-S727 Rabbit pAb, Unconjugated                                     |
| Artikelnummer            | ABB-AP0474                                                                      |
| Hersteller Artikelnummer | AP0474                                                                          |
| Alternativnummer         | ABB-AP0474-20UL, ABB-AP0474-100UL                                               |
| Hersteller               | ABclonal                                                                        |
| Wirt                     | Rabbit                                                                          |
| Kategorie                | Antikörper                                                                      |
| Applikation              | ELISA, IF, IHC-P, IP, WB                                                        |
| Spezies Reaktivität      | Human                                                                           |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                    |
| Molekulargewicht         | 88 kDa                                                                          |
| NCBI                     | <a href="#">6774</a>                                                            |
| UniProt                  | <a href="#">P40763</a>                                                          |
| Reinheit                 | Affinity purification                                                           |

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:5000 IP,0.5 µg-4 µg antibody for 200 µg-400 µg extracts of whole cells IF/ICC,1:1000 - 1:5000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                                                                                                                                                                                               |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics Nuclear Signaling,Transcription Factors,Protein phosphorylation,Cancer,Signal Transduction,ErbB-HER Signaling Pathway,MAPK-Erk Signaling Pathway,MAPK-JNK Signaling Pathway,Cell Biology Developmental Biology,Apoptosis,Inhibition of Apoptosis,Microtubules,Immunology Inflammation,Jak-Stat-IL-6 Receptor Signaling Pathway,Stem Cells,Embryonic Stem Cells,Cardiovascular,Heart,Cardiogenesis,Hypertrophy. Shipping: Ice Bag |
