## Product Datasheet

### Phospho-Raf1-S338 Rabbit pAb, Unconjugated ABB-AP0498

|                          |                                                                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-Raf1-S338 Rabbit pAb, Unconjugated                                                                                                                             |
| Artikelnummer            | ABB-AP0498                                                                                                                                                             |
| Hersteller Artikelnummer | AP0498                                                                                                                                                                 |
| Alternativnummer         | ABB-AP0498-100UL, ABB-AP0498-20UL                                                                                                                                      |
| Hersteller               | ABclonal                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                  |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                           |
| Molekulargewicht         | 73kDa                                                                                                                                                                  |
| NCBI                     | <a href="#">5894</a>                                                                                                                                                   |
| UniProt                  | <a href="#">P04049</a>                                                                                                                                                 |
| Reinheit                 | Affinity purification                                                                                                                                                  |
| Application Verdünnung   | WB,1:500 - 1:2000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Protein phosphorylation,Cancer,Signal Transduction,G protein signaling,G-Protein-Coupled Receptors Signaling to MAPK Erk,Kinase,Serine threonine kinases,ErbB-HER Signaling Pathway,MAPK-Erk Signaling Pathway,Cell Biology Developmental Biology,Apoptosis,Inhibition of Apoptosis,Growth factors,ESC Pluripotency and Differentiation,Endocrine Metabolism,Mitochondrial metabolism,Mitochondrial markers,Insulin Receptor Signaling Pathway,Immunology Inflammation,B Cell Receptor Signaling Pathway,T Cell Receptor Signaling Pathway,Jak-Stat-IL-6 Receptor Signaling Pathway,Neuroscience. Shipping: Ice Bag |
