## Product Datasheet

### Phospho-p70 S6 Kinase 1-T389 Rabbit pAb, Unconjugated ABB-AP0564

|                          |                                                                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-p70 S6 Kinase 1-T389 Rabbit pAb, Unconjugated                                                                                                                   |
| Artikelnummer            | ABB-AP0564                                                                                                                                                              |
| Hersteller Artikelnummer | AP0564                                                                                                                                                                  |
| Alternativnummer         | ABB-AP0564-100UL, ABB-AP0564-20UL                                                                                                                                       |
| Hersteller               | ABclonal                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                              |
| Applikation              | ELISA, IF, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                   |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                            |
| Molekulargewicht         | 59kDa                                                                                                                                                                   |
| NCBI                     | <a href="#">6198</a>                                                                                                                                                    |
| UniProt                  | <a href="#">P23443</a>                                                                                                                                                  |
| Reinheit                 | Affinity purification                                                                                                                                                   |
| Application Verdünnung   | WB,1:500 - 1:5000 IF/ICC,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | <p>Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics Nuclear Signaling,DNA Damage Repair,Translation Control,Regulation of eIF4 and p70 S6 Kinase,Protein phosphorylation,Signal Transduction,Kinase,Serine threonine kinases,PI3K-Akt Signaling Pathway,mTOR Signaling Pathway,ErbB-HER Signaling Pathway,Cell Biology Developmental Biology,Apoptosis,Mitochondrial Control of Apoptosis,Inhibition of Apoptosis,Cell Cycle,Cell cycle inhibitors,TGF-b-Smad Signaling Pathway,Endocrine Metabolism,AMPK Signaling Pathway,Insulin Receptor Signaling Pathway,Endocrine and metabolic diseases,Obesity,Immunology Inflammation,B Cell Receptor Signaling Pathway,Cardiovascular,Angiogenesis. Shipping: Ice Bag</p> |
