## Product Datasheet

### Phospho-SMO-S616 Rabbit pAb, Unconjugated ABB-AP0938

|                          |                                                                                                                                                                       |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-SMO-S616 Rabbit pAb, Unconjugated                                                                                                                             |
| Artikelnummer            | ABB-AP0938                                                                                                                                                            |
| Hersteller Artikelnummer | AP0938                                                                                                                                                                |
| Alternativnummer         | ABB-AP0938-20UL, ABB-AP0938-100UL                                                                                                                                     |
| Hersteller               | ABclonal                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | DOT, ELISA, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                 |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                          |
| Molekulargewicht         | 86kDa                                                                                                                                                                 |
| NCBI                     | <a href="#">6608</a>                                                                                                                                                  |
| UniProt                  | <a href="#">Q99835</a>                                                                                                                                                |
| Reinheit                 | Affinity purification                                                                                                                                                 |
| Application Verdünnung   | WB,1:500 - 1:1000 DB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | <p>Cross-Reactivity: Human. ResearchArea: Signal Transduction,G protein signaling,G-Protein-Coupled ReceptorsGPCR,Cell Biology Developmental Biology,Apoptosis,Neuroscience,Stem Cells.</p> <p>Shipping: Ice Bag</p> |
