## Product Datasheet

### Phospho-PPP1R12A/PPP1R12B/PPP1R12C-T696 Rabbit pAb ABB-AP1164

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-PPP1R12A/PPP1R12B/PPP1R12C-T696 Rabbit pAb                                                                                                  |
| Artikelnummer            | ABB-AP1164                                                                                                                                          |
| Hersteller Artikelnummer | AP1164                                                                                                                                              |
| Alternativnummer         | ABB-AP1164-100UL, ABB-AP1164-20UL                                                                                                                   |
| Hersteller               | ABclonal                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | ELISA, WB                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                               |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                     |
| NCBI                     | <a href="#">4659</a>                                                                                                                                |
| UniProt                  | <a href="#">O14974</a>                                                                                                                              |
| Reinheit                 | Affinity purification                                                                                                                               |
| Application Verdünnung   | WB,1:500 - 1:2000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Human. ResearchArea: Epigenetics Nuclear Signaling,Protein phosphorylation,Signal Transduction,Kinase,Serine threonine kinases,Cell Biology Developmental Biology,Cell Cycle,Cytoskeleton,Motor Proteins,Actins. Shipping: Ice Bag |
