## Product Datasheet

### Phospho-CRKL-Y207 Rabbit pAb, Unconjugated ABB-AP1452

|                          |                                                                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-CRKL-Y207 Rabbit pAb, Unconjugated                                                                                                              |
| Artikelnummer            | ABB-AP1452                                                                                                                                              |
| Hersteller Artikelnummer | AP1452                                                                                                                                                  |
| Alternativnummer         | ABB-AP1452-100UL, ABB-AP1452-20UL                                                                                                                       |
| Hersteller               | ABclonal                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                              |
| Applikation              | ELISA, WB                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                   |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                         |
| Konjugation              | Unconjugated                                                                                                                                            |
| Molekulargewicht         | 34kDa                                                                                                                                                   |
| NCBI                     | <a href="#">1399</a>                                                                                                                                    |
| UniProt                  | <a href="#">P46109</a>                                                                                                                                  |
| Reinheit                 | Affinity purification                                                                                                                                   |
| Application Verdünnung   | WB, 1:500 - 1:1000   ELISA, Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |

|                        |                                                                                                                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Cross-Reactivity: Mouse. ResearchArea: Epigenetics Nuclear Signaling,RNA Binding,Protein phosphorylation,Cancer,Signal Transduction,Kinase,MAPK-JNK Signaling Pathway,Immunology Inflammation,Neuroscience. Shipping: Ice Bag |
