| Hersteller               | EXBIO                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IP, WB                                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | STAT1 peptide sequence 8-23 (QLDSKFLEQVHQLYD) conjugated to KLH.                                                                                                                                                                                              |
| Produktbeschreibung      | STAT1 (signal transducer and activator of transcription 1) is a transcription factor that plays important roles in growth arrest, apoptosis promoting and tumour suppression. After ligation of cytokine receptors STAT1 becomes phosphorylated on Tyr701 ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Klon-Bezeichnung         | [SM2]                                                                                                                                                                                                                                                         |
| Isotyp                   | Mouse IgG1                                                                                                                                                                                                                                                    |
| Puffer                   | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                                                                                                                                                                                                   |

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Lagerung               | 2°C to 8°C                                                             |
| Target-Kategorie       | STAT1                                                                  |
| Antibody Type          | Monoclonal Antibody                                                    |
| Anwendungsbeschreibung | Western blotting: Recommended dilution 1-2 µg/ml, reducing conditions. |
