| Hersteller               | MABTECH                                                                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                                          |
| Applikation              | ICC, Stim                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                               |
| Konjugation              | Unconjugated                                                                                                                                                                                                        |
| Produktbeschreibung      | Monoclonal antibody specific for CD40, This monoclonal antibody is suitable for studies of CD40 expression on cells and tissue sections and for studies of B-cell activation, proliferation and differentiation.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                          |
| Klon-Bezeichnung         | [17:40]                                                                                                                                                                                                             |
| Isotyp                   | IgM                                                                                                                                                                                                                 |
| NCBI                     | <a href="#">958</a>                                                                                                                                                                                                 |
| Target-Kategorie         | CD40                                                                                                                                                                                                                |

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Monoclonal Antibody                                                                                                      |
| Anwendungsbeschreibung | Contents: Monoclonal antibody 17:40, unconjugated. Supplied at 0.5 mg/ml in sterile filtered PBS, free of preservatives. |
