| Artikelname              | Anti-Tumor associated glycoprotein (TAG) 72 [B72.3 (Satumomab)], Mouse IgG1, kappa, Clone: [B72.3 Satumomab], Monoclonal                                |
| Artikelnummer            | ABA-AB00280-1.1                                                                                                                                         |
| Hersteller Artikelnummer | Ab00280-1.1                                                                                                                                             |
| Alternativnummer         | ABA-AB00280-1.1                                                                                                                                         |
| Hersteller               | Absolute Antibody                                                                                                                                       |
| Wirt                     | Mouse                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                              |
| Applikation              | FC, IHC                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                   |
| Produktbeschreibung      | Tumour-associated glycoprotein 72 is a glycoprotein found on the surface of many cancer cells, including ovary, breast, colon, and pancreatic cells.... |
| Klonalität               | Monoclonal                                                                                                                                              |
| Klon-Bezeichnung         | [B72.3 Satumomab]                                                                                                                                       |
| Isotyp                   | IgG1                                                                                                                                                    |
| Puffer                   | PBS with 0.02% Proclin 300.                                                                                                                             |
| Quelle                   | Mouse                                                                                                                                                   |

|                  |                                        |
|------------------|----------------------------------------|
| Target-Kategorie | Tumor associated glycoprotein (TAG) 72 |
| Antibody Type    | Recombinant Antibody                   |
