| Hersteller               | Absolute Antibody                                                                                                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FA, FC, Functional Studies, IF, WB                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                 |
| Produktbeschreibung      | 1C1 was isolated after screening of a non-immunized human Fab phage library. Selection was based on the ability to bind soluble human recombinant EphA2 (residues 183-510). The Fab was subsequently converted to full length human IgG1.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                   |
| Klon-Bezeichnung         | [1C1]                                                                                                                                                                                                                                        |
| Isotyp                   | F(ab)2                                                                                                                                                                                                                                       |
| UniProt                  | <a href="#">P29317</a>                                                                                                                                                                                                                       |
| Puffer                   | PBS only.                                                                                                                                                                                                                                    |
