| Wirt                     | Gallus                                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                                  |
| Konjugation              | hrp                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Chicken anti-goat IgG (H&L), HRP conjugated, is a secondary antibody which binds to goat IgGs in immunological assays. Antibodies are adsorbed against to human,mouse,rabbit IgG/serum and affinity purified using solid phase goat IgG.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                  |
| Reinheit                 | Immunogen affinity purified IgY.                                                                                                                                                                                                            |
| Formulierung             | Lyophilized                                                                                                                                                                                                                                 |
| Antibody Type            | Polyclonal Antibody                                                                                                                                                                                                                         |
| Application Verdünnung   | 1 : 10 000-1 : 50 000 (ELISA), 1 : 500-1 : 5000 (IHC), 1 : 10 000-1 : 50 000 (WB)                                                                                                                                                           |

|                        |                                                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | For reconstitution add 0,55 ml of sterile water, Let it stand 30 minutes at room temperature to dissolve, Prepare fresh working dilutions daily |
