## Product Datasheet

### Anti-C-YFP | C-terminal of YFP, Rabbit, Polyclonal AGR-AS11-1775

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-C-YFP   C-terminal of YFP, Rabbit, Polyclonal                                                                                                            |
| Artikelnummer            | AGR-AS11-1775                                                                                                                                                 |
| Hersteller Artikelnummer | AS11-1775                                                                                                                                                     |
| Alternativnummer         | AGR-AS11-1775                                                                                                                                                 |
| Hersteller               | Agrisera                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                            |
| Immunogen                | KLH-conjugated synthetic peptide derived from C-terminal of YFP protein. This peptide is conserved in pGWB541 Vector.                                         |
| Produktbeschreibung      | YFP (Yellow Fluorescent Protein) is a genetic mutant of green fluorescent protein (GFP). YFP has an excitation peak at 514 nm and emission peak at 527 nm.... |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Reinheit                 | Immunogen affinity purified serum in PBS pH 7.4.                                                                                                              |
| Formulierung             | Lyophilized                                                                                                                                                   |
| Antibody Type            | Polyclonal Antibody                                                                                                                                           |
| Application Verdünnung   | 1 : 10 000 (WB)                                                                                                                                               |

Anwendungsbeschreibung

The peptide used to elicit this antibody is perfectly conserved in GFP protein sequence: UniProt: P42212
