| Immunogen                | Recombinant FBA from Synechocystis sp. PCC6803, UniProt: Q55664, Cyanobase: sll0018                                                                                                                                                                          |
| Produktbeschreibung      | FBP aldolase (FBP) is an enzyme (EC=4.1.2.13) which is catalyzing the aldol condensation of dihydroxyacetone phosphate (DHAP or glyceralone-phosphate) with glyceraldehyde 3-phosphate (G3P) to form fructose 1,6-bisphosphate (FBP) in gluconeogenesis a... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Molekulargewicht         | 38.9 kDa                                                                                                                                                                                                                                                     |
| UniProt                  | <a href="#">Q55664</a>                                                                                                                                                                                                                                       |
| Reinheit                 | Serum                                                                                                                                                                                                                                                        |
| Formulierung             | Lyophilized                                                                                                                                                                                                                                                  |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Antibody Type          | Polyclonal Antibody                           |
| Application Verdünnung | 1 : 1000 (WB)                                 |
| Anwendungsbeschreibung | For reconstitution add 50 µl of sterile water |
