## Product Datasheet

### Anti-ChlG (G4) | Chlorophyll synthase (chloroplastic), Rabbit, Polyclonal AGR-AS14-2793

|                          |                                                                                                                                                                                                                |

| Artikelname              | Anti-ChlG (G4)   Chlorophyll synthase (chloroplastic), Rabbit, Polyclonal                                                                                                                                      |
| Artikelnummer            | AGR-AS14-2793                                                                                                                                                                                                  |
| Hersteller Artikelnummer | AS14-2793                                                                                                                                                                                                      |
| Alternativnummer         | AGR-AS14-2793                                                                                                                                                                                                  |
| Hersteller               | Agrisera                                                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                     |
| Applikation              | WB                                                                                                                                                                                                             |
| Spezies Reaktivität      | A. thaliana, Plant                                                                                                                                                                                             |
| Immunogen                | KLH-conjugated peptide derived from Arabidopsis thaliana chlorophyll synthase, UniProt: Q38833, TAIR: AT3G51820                                                                                                |
| Produktbeschreibung      | G4 (Chlorophyll synthase) is an enzyme which performs estrification of chlorophyllide (a and b), which is the last step of chlorophyll biosynthesis. Alternative names: polyprenyl transferase, protein G4.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                     |
| Molekulargewicht         | 41.8 kDa (further processed into a mature form)                                                                                                                                                                |
| NCBI                     | <a href="#">824345</a>                                                                                                                                                                                         |
| UniProt                  | <a href="#">Q38833</a>                                                                                                                                                                                         |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Serum                                         |
| Formulierung           | Lyophilized                                   |
| Antibody Type          | Polyclonal Antibody                           |
| Application Verdünnung | 1: 10 000 (CN-PAGE), 1 : 1000 (WB)            |
| Anwendungsbeschreibung | For reconstitution add 50 µl of sterile water |
