| Hersteller Artikelnummer | AS15-2905                                                                                                                                                                                                                                                     |
| Alternativnummer         | AGR-AS15-2905                                                                                                                                                                                                                                                 |
| Hersteller               | Agrisera                                                                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Immunogen                | KLH-conjugated synthetic peptide derived from Arabidopsis thaliana sequence of MKK2, UniProt: Q9S7U9, TAIR: AT4G29810                                                                                                                                         |
| Produktbeschreibung      | MKK2 (Mitogen-activated protein kinase kinase 2) together with MKK2 and MKK4 function in a signaling pathway that modulates the expression of genes responding to biotic and abiotic stresses as well as pathogen defense by negative regulation of innate... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Molekulargewicht         | 38.8 kDa                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">829103</a>                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">Q9S7U9</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Immunogen affinity purified serum in PBS pH 7.4.                                                                                                                                                                                                              |

|                        |                                                                                    |
|------------------------|------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                        |
| Antibody Type          | Polyclonal Antibody                                                                |
| Application Verdünnung | 1 : 1000 (WB)                                                                      |
| Anwendungsbeschreibung | Reactivity on other tissues of Arabidopsis thaliana has not been confirmed as yet. |
