## Product Datasheet

### Anti-RPS4 | Disease resistance protein RPS4, Rabbit, Polyclonal AGR-AS16-3992

|                          |                                                                                                                                                                   |

| Artikelname              | Anti-RPS4   Disease resistance protein RPS4, Rabbit, Polyclonal                                                                                                   |
| Artikelnummer            | AGR-AS16-3992                                                                                                                                                     |
| Hersteller Artikelnummer | AS16-3992                                                                                                                                                         |
| Alternativnummer         | AGR-AS16-3992                                                                                                                                                     |
| Hersteller               | Agrisera                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                        |
| Applikation              | WB                                                                                                                                                                |
| Immunogen                | KLH-conjugated synthetic peptide derived from Arabidopsis thaliana RPS4 sequence, UniProt: Q9XGM3, TAIR: At5g45250. Chosen peptide is not found in RPS4B isoform. |
| Produktbeschreibung      | RPS4 (Disease resistance protein RPS4) recognizes the AvrRps4 type III effector avirulence protein from P. syringae and confers specific resistance....           |
| Klonalität               | Polyclonal                                                                                                                                                        |
| Molekulargewicht         | 137.7 kDa                                                                                                                                                         |
| NCBI                     | <a href="#">834561</a>                                                                                                                                            |
| UniProt                  | <a href="#">Q9XGM3</a>                                                                                                                                            |
| Reinheit                 | Immunogen affinity purified serum in PBS pH 7.4.                                                                                                                  |

|                        |                                          |
|------------------------|------------------------------------------|
| Formulierung           | Lyophilized                              |
| Antibody Type          | Polyclonal Antibody                      |
| Application Verdünnung | 1 : 2000 - 1: 4000 (WB)                  |
| Anwendungsbeschreibung | Antibody is recognizing recombinant RPS4 |
