## Product Datasheet

### **DKK3 recombinant monoclonal antibody, clone R06-8X9, Clone: [R06-8X9], Monoclonal ABN-RAB05211**

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | DKK3 recombinant monoclonal antibody, clone R06-8X9, Clone: [R06-8X9], Monoclonal           |
| Biozol Catalog Number      | ABN-RAB05211                                                                                |
| Supplier Catalog Number    | RAB05211                                                                                    |
| Alternative Catalog Number | ABN-RAB05211-100                                                                            |
| Manufacturer               | Abnova                                                                                      |
| Category                   | Antikörper                                                                                  |
| Application                | ICC, IF, IP, WB                                                                             |
| Species Reactivity         | Human                                                                                       |
| Immunogen                  | Original antibody is raised against recombinant protein corresponding to human DKK3         |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human DKK3....                        |
| Clonality                  | Monoclonal                                                                                  |
| Clone Designation          | [R06-8X9]                                                                                   |
| UniProt                    | 27122                                                                                       |
| Buffer                     | In 50 mM Tris-Glycine pH 7.4 (0.15 M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% BSA). |
| Form                       | Liquid                                                                                      |

|                    |                                                                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | DKK3                                                                                                                                                   |
| Application Dilute | Immunofluorescence (1/50-1/200)Immunoprecipitation (1/20)Western Blot (1/500-1/1000)The optimal working dilution should be determined by the end user. |
