| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | recombinant human CD270                                                                                                                                                                                                                                       |
| Product Description        | CD270 is a type I transmembrane protein of the TNFR superfamily, which is expressed on resting T cells, monocytes, and immature dendritic cells. Its ligands, CD258 and CD272, differ in effect on CD270 signaling. Whereas binding to CD258 provides a co... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/ml                                                                                                                                                                                                                                                       |
| Clone Designation          | [CW10]                                                                                                                                                                                                                                                        |
| Isotype                    | Mouse IgG1 kappa                                                                                                                                                                                                                                              |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                                                                                                                                                                                                   |
| Target                     | CD270                                                                                                                                                                                                                                                         |

|                   |                                                  |
