| Immunogen                  | Synthetic peptide dervied from human Lass6 protein                                                                                                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | Longevity assurance genes (LAGs) represent a subgroup of the homeobox gene family. Five mammalian homologs have been reported, and the corresponding proteins have previously been investigated with respect to their key role in ceramide synthesis. Howe... |
| Concentration              | See vial for concentration                                                                                                                                                                                                                                    |
| UniProt                    | <a href="#">Q6ZMG9</a>                                                                                                                                                                                                                                        |
| Buffer                     | Provided as solution in phosphate buffered saline with 0.08% sodium azide                                                                                                                                                                                     |

|                   |                                                                                                                       |
|-------------------|-----------------------------------------------------------------------------------------------------------------------|
| Purity            | Ammonium Sulfate Precipitation                                                                                        |
| Form              | Unconjugated                                                                                                          |
| Formula           | Provided as solution in phosphate buffered saline with 0.08% sodium azide                                             |
| Application Notes | Antibody can be used for Western blotting (5-7 µg/ml). Optimal concentration should be evaluated by serial dilutions. |
