Guinea Pig anti Swine insulin, conjugated with FITC, Clone: [Polyclonal], Guinea pig, Monoclonal NMB-GPASW/INS/FITC

| | |
|----------------------------|---|
| Article Name | Guinea Pig anti Swine insulin, conjugated with FITC, Clone: [Polyclonal], Guinea pig, Monoclonal |
| Biozol Catalog Number | NMB-GPASW/INS/FITC |
| Supplier Catalog Number | GpASw/Ins/FITC |
| Alternative Catalog Number | NMB-GPASW/INS/FITC |
| Manufacturer | NordicMubio |
| Host | Guinea pig |
| Category | Antikörper |
| Conjugation | FITC |
| Product Description | The reactivity of the antiserum is directed to insulin as tested by ELISA and immunoblotting. No reaction was obtained with other swine serum proteins. The immunoconjugate is intended for use in different types of highly sensitive fluorescence immuno... |
| Clonality | Monoclonal |
| Clone Designation | [Polyclonal] |
| Buffer | Purified hyperimmune guinea pig IgG lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the antibody activity. It is reconstituted by adding 1 ml sterile distilled water, spun down to rem |
