Rabbit anti Porcine Phospholipase A2, conjugated with Biotin, Clone: [Polyclonal], Monoclonal NMB-NE134/BIO

| | |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name | Rabbit anti Porcine Phospholipase A2, conjugated with Biotin, Clone: [Polyclonal], Monoclonal |
| Biozol Catalog Number | NMB-NE134/BIO |
| Supplier Catalog Number | NE134/Bio |
| Alternative Catalog Number | NMB-NE134/BIO |
| Manufacturer | NordicMubio |
| Host | Rabbit |
| Category | Antikörper |
| Conjugation | Biotin |
| Product Description | The reagents were evaluated for potency, purity and specificity using most or all of the following techniques: immunoelectrophoresis, cross-immunoelectrophoresis, single radial immunodiffusion (Ouchterlony), block titration, ELISA, immunoblotting and... |
| Clonality | Monoclonal |
| Clone Designation | [Polyclonal] |
| UniProt | P00592 |
| Buffer | Biotin-coupled hyperimmune rabbit IgG lyophilised from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the antibody activity. No foreign protein added. It is reconstituted by adding 1.0 ml sterile dis |

| | |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Source | Phospholipase A2 isolated and purified from porcine pancreas. Freund's complete adjuvant is used in the first step of the immunization procedure |
| Form | Biotin |
| Formula | Biotin-coupled hyperimmune rabbit IgG lyophilised from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the antibody activity. No foreign protein added. |
| Application Notes | ELISA, Immunocytochemistry, Immunohistochemistry (paraffin), Dot blot, Immunoblotting. |
