| Manufacturer               | Agrisera                                                                                                                                                                                       |
| Host                       | Mouse                                                                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                                                                     |
| Application                | ELISA, IF, IHC                                                                                                                                                                                 |
| Species Reactivity         | A. thaliana                                                                                                                                                                                    |
| Immunogen                  | BSA-conjugated oat xylan                                                                                                                                                                       |
| Product Description        | Xylans are polysaccharides and belong to a group of hemicelluloses found in cell walls of plants and in red and green algae. Their backbones are built by beta-1,4-linked xylosyl residues.... |
| Clonality                  | Monoclonal                                                                                                                                                                                     |
| Isotype                    | IgM                                                                                                                                                                                            |
| Purity                     | Cell culture supernatant.                                                                                                                                                                      |
| Form                       | Liquid                                                                                                                                                                                         |
| Antibody Type              | Monoclonal Antibody                                                                                                                                                                            |
| Application Dilute         | Undiluted or at 1 : 10 (ELISA), (IF), (IHC)                                                                                                                                                    |
