| Article Name               | Chicken anti-Mouse IgG (H&L) - Affinity Pure, HRP Conjugate, Gallus |
| Biozol Catalog Number      | IMU-CKXMU-003-DHRPX                                                 |
| Supplier Catalog Number    | CkxMu-003-DHRPX                                                     |
| Alternative Catalog Number | IMU-CKXMU-003-DHRPX                                                 |
| Manufacturer               | ImmunoReagents                                                      |
| Host                       | Gallus                                                              |
| Category                   | Antikörper                                                          |
| Species Reactivity         | Mouse                                                               |
| Immunogen                  | Purified Mouse IgG, whole molecule                                  |
| Conjugation                | HRP                                                                 |
| Format                     | IgY                                                                 |
| Target Specificity         | IgG (H+L)                                                           |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                                 |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.2)                                   |
| NCBI                       | <a href="#">51107</a>                                               |
| UniProt                    | AAA51107                                                            |
| Buffer                     | PBS, 1% BSA & 0.1% proclin 150                                      |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE               |

|               |                    |
