## Product Datasheet

### **Donkey anti-Mouse IgG (H&L) - Affinity Pure, DyLight633 Conjugate, DyLight 633 IMU-DKXMU-003-D633NHSX**

|                            |                                                                                |
|----------------------------|--------------------------------------------------------------------------------|
| Article Name               | Donkey anti-Mouse IgG (H&L) - Affinity Pure, DyLight633 Conjugate, DyLight 633 |
| Biozol Catalog Number      | IMU-DKXMU-003-D633NHSX                                                         |
| Supplier Catalog Number    | DkxMu-003-D633NHSX                                                             |
| Alternative Catalog Number | IMU-DKXMU-003-D633NHSX                                                         |
| Manufacturer               | ImmunoReagents                                                                 |
| Host                       | Donkey                                                                         |
| Category                   | Antikörper                                                                     |
| Species Reactivity         | Mouse                                                                          |
| Immunogen                  | Purified Mouse IgG, whole molecule                                             |
| Conjugation                | DyLight 633                                                                    |
| Format                     | IgG                                                                            |
| Target Specificity         | IgG (H+L)                                                                      |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                                            |
| Concentration              | 1 mg/ml (E 1% at 280 nm = 13.0)                                                |
| NCBI                       | <a href="#">51107</a>                                                          |
| UniProt                    | AAA51107                                                                       |

|               |                                                                                          |
|---------------|------------------------------------------------------------------------------------------|
| Buffer        | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free |
| Purity        | Affinity purified antibody is > 95% based on SDS-PAGE                                    |
| Form          | Lyophilized                                                                              |
| Antibody Type | Secondary Antibody                                                                       |
