| Article Name               | Donkey anti-Sheep IgG (H&L) - Affinity Pure, TRITC Conjugate, min x w/human or rabbit IgG |
| Biozol Catalog Number      | IMU-DKXSH-003-ERHOX                                                                       |
| Supplier Catalog Number    | DkxSh-003-ERHOX                                                                           |
| Alternative Catalog Number | IMU-DKXSH-003-ERHOX                                                                       |
| Manufacturer               | ImmunoReagents                                                                            |
| Host                       | Donkey                                                                                    |
| Category                   | Antikörper                                                                                |
| Species Reactivity         | Sheep                                                                                     |
| Immunogen                  | Purified Sheep IgG, whole molecule                                                        |
| Conjugation                | TRITC                                                                                     |
| Format                     | IgG                                                                                       |
| Target Specificity         | IgG (H+L)                                                                                 |
| Cross-Adsorption (MinX)    | Human,Rabbit                                                                              |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.0)                                                         |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free  |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE                                     |

|               |                    |
