## Product Datasheet

### **Mouse anti-HA, clone 16B12, primary antibody, conjugated to DyLight 550, 100ug IMU-MUXOT-111-D550**

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | Mouse anti-HA, clone 16B12, primary antibody, conjugated to DyLight 550, 100ug              |
| Biozol Catalog Number      | IMU-MUXOT-111-D550                                                                          |
| Supplier Catalog Number    | MuxOt-111-D550                                                                              |
| Alternative Catalog Number | IMU-MUXOT-111-D550                                                                          |
| Manufacturer               | ImmunoReagents                                                                              |
| Category                   | Antikörper                                                                                  |
| Species Reactivity         | Human                                                                                       |
| Conjugation                | DyLight 550                                                                                 |
| Concentration              | 1mg/ml                                                                                      |
| Buffer                     | 100 mM Sodium Phosphate (pH 7.4), 100 mM NaCl, 50 mM Sucrose, 1.5% BSA and 0.01% Thimerosal |
| Purity                     | Affinity Purified Using solid phase HA                                                      |
| Form                       | Liquid                                                                                      |
