## Product Datasheet

### HEF1/NEDD-9 Monoclonal Antibody [2G9] - BSA/Azide Free / 50ul, Mouse IMQ-IQ297AF

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | HEF1/NEDD-9 Monoclonal Antibody [2G9] - BSA/Azide Free / 50ul, Mouse                 |
| Biozol Catalog Number      | IMQ-IQ297AF                                                                          |
| Supplier Catalog Number    | IQ297AF                                                                              |
| Alternative Catalog Number | IMQ-IQ297AF-0.05                                                                     |
| Manufacturer               | ImmuQuest                                                                            |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Application                | ICC, IHC, WB                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                    |
| Immunogen                  | Synthetic peptide corresponding to amino acid residues 82-398 of human HEF1 protein  |
| Product Description        | HEF1/NEDD-9 Antibody [2G9]- BSA/Azide Free...                                        |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | 1mg/ml                                                                               |
| Clone Designation          | [2G9]                                                                                |

| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/30267961 target=_blank rel=nofollow>30267961 |

|                    |                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q14511</a>                                                                                         |
| Buffer             | Purified antibody containing PBS. Does not contain sodium azide or BSA                                         |
| Purity             | Protein G                                                                                                      |
| Form               | Purified antibody containing PBS. Does not contain sodium azide or BSA                                         |
| Target             | HEF1                                                                                                           |
| Antibody Type      | Monoclonal Antibody                                                                                            |
| Application Dilute | Optimal antibody dilution should be determined by titration, however as a guideline try: WB 0.1µg/ml, IF 1:100 |
