### Mad2L1 Monoclonal Antibody [17D10] - 50ul, IgG1, Mouse IMQ-IQ286

|                            |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Article Name               | Mad2L1 Monoclonal Antibody [17D10] - 50ul, IgG1, Mouse          |
| Biozol Catalog Number      | IMQ-IQ286                                                       |
| Supplier Catalog Number    | IQ286                                                           |
| Alternative Catalog Number | IMQ-IQ286-0.05                                                  |
| Manufacturer               | ImmuQuest                                                       |
| Host                       | Mouse                                                           |
| Category                   | Antikörper                                                      |
| Application                | IHC-P, IP, WB                                                   |
| Species Reactivity         | Human                                                           |
| Immunogen                  | Recombinant human Mad2                                          |
| Product Description        | Mouse Anti-Mad2L1 [17D10]...                                    |
| Clonality                  | Monoclonal                                                      |
| Concentration              | 1mg/ml                                                          |
| Clone Designation          | [17D10]                                                         |
| Isotype                    | IgG1                                                            |

|                    |                                                                                                                                                                                                                                                |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Purified antibody (from supernatant) containing PBS + 0.1% sodium az                                                                                                                                                                           |
| Purity             | Protein G                                                                                                                                                                                                                                      |
| Form               | Purified antibody (from supernatant) containing PBS + 0.1% sodium az                                                                                                                                                                           |
| Target             | Mad2L1                                                                                                                                                                                                                                         |
| Antibody Type      | Monoclonal Antibody                                                                                                                                                                                                                            |
| Application Dilute | Optimal antibody dilution should be determined by titration, however as a guideline try, WB: Use a concentration of 2 µg/ml. Detects a band of approximately 25 kDa (predicted molecular weight: 24.6 kDa). IP: Use a concentration of 5 µg/ml |
