| Article Name               | NG-Hydroxy-L-arginine . monoacetate, CAS [[53598-01-9]]                                                                      |
| Biozol Catalog Number      | ENZ-ALX-106-004-M025                                                                                                         |
| Supplier Catalog Number    | ALX-106-004-M025                                                                                                             |
| Alternative Catalog Number | ENZ-ALX-106-004-M025-25                                                                                                      |
| Manufacturer               | Enzo Life Sciences                                                                                                           |
| Category                   | Biochemikalien                                                                                                               |
| Product Description        | Intermediate in the biosynthesis of nitric oxide from L-arginine by nitric oxide synthases (NOS). Inhibitor of arginases.... |
| Molecular Weight           | 190.2 . 60.1                                                                                                                 |
| Purity                     | 98% (HPLC)                                                                                                                   |
| CAS Number                 | [53598-01-9]                                                                                                                 |
| Formula                    | C6H14N4O3 . CH3COOH                                                                                                          |
| Target                     | NOS, Arginase                                                                                                                |
