| Biozol Catalog Number      | ENZ-ALX-430-155-M002                                                                                                                                |
| Supplier Catalog Number    | ALX-430-155-M002                                                                                                                                    |
| Alternative Catalog Number | ENZ-ALX-430-155-M002-2                                                                                                                              |
| Manufacturer               | Enzo Life Sciences                                                                                                                                  |
| Category                   | Biochemikalien                                                                                                                                      |
| Product Description        | Selective and cell permeable inhibitor of the interaction between the human eukaryotic translation initiation factors 4E (eIF4E) and 4G (eIF4G).... |
| Molecular Weight           | 451.3                                                                                                                                               |
| Purity                     | 95% (TLC)                                                                                                                                           |
| CAS Number                 | [315706-13-9]                                                                                                                                       |
| Formula                    | C18H12Cl2N4O4S                                                                                                                                      |
| Target                     | eIF4E, eIF4G                                                                                                                                        |
