| Alternative Catalog Number | ENZ-ALX-582-012-G005-5                                                                                                                                                                          |
| Manufacturer               | Enzo Life Sciences                                                                                                                                                                              |
| Category                   | Biochemikalien                                                                                                                                                                                  |
| Product Description        | Inducer of beta-D-galactosidase. Used in the stimulation of beta-galactosidase in cellular systems in which dioxane would disrupt normal cell function. Contains no animal-derived products.... |
| Molecular Weight           | 238.3                                                                                                                                                                                           |
| Purity                     | 98% (HPLC)                                                                                                                                                                                      |
| CAS Number                 | [367-93-1]                                                                                                                                                                                      |
| Formula                    | C <sub>9</sub> H <sub>18</sub> O <sub>5</sub> S                                                                                                                                                 |
| Target                     | beta-Galactosidase                                                                                                                                                                              |
