| Alternative Catalog Number | ENZ-BML-EI303-0025-25                                                                                                                                                                                  |
| Manufacturer               | Enzo Life Sciences                                                                                                                                                                                     |
| Category                   | Biochemikalien                                                                                                                                                                                         |
| Product Description        | A potent inhibitor of PDGF receptor tyrosine kinase (IC <sub>50</sub> =1 µM). Also inhibits FGF receptor tyrosine kinase and c-kit. Induces apoptosis in a small-cell lung cancer cell line (H526).... |
| Molecular Weight           | 266.3                                                                                                                                                                                                  |
| Purity                     | 98% (TLC)                                                                                                                                                                                              |
| CAS Number                 | [146535-11-7]                                                                                                                                                                                          |
| Formula                    | C <sub>16</sub> H <sub>14</sub> N <sub>2</sub> O <sub>2</sub>                                                                                                                                          |
| Target                     | PDGF receptor, FGF receptor, c-Kit                                                                                                                                                                     |
