## Product Datasheet

### **BML-244, CAS [[104062-70-6]] ENZ-BML-PI140-0025**

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | BML-244, CAS [[104062-70-6]]                                              |
| Biozol Catalog Number      | ENZ-BML-PI140-0025                                                        |
| Supplier Catalog Number    | BML-PI140-0025                                                            |
| Alternative Catalog Number | ENZ-BML-PI140-0025-25                                                     |
| Manufacturer               | Enzo Life Sciences                                                        |
| Category                   | Biochemikalien                                                            |
| Product Description        | A highly potent, cell-permeable inhibitor of cathepsin K (IC50=51 nM).... |
| Molecular Weight           | 215.3                                                                     |
| Purity                     | 98% (TLC)                                                                 |
| CAS Number                 | [104062-70-6]                                                             |
| Formula                    | C11H21NO3                                                                 |
| Target                     | Cathepsin K                                                               |
