## Product Datasheet

### Anti-PsaE | PSI-E subunit of photosystem I (algal), Rabbit, Polyclonal AGR-AS22-4731

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Anti-PsaE   PSI-E subunit of photosystem I (algal), Rabbit, Polyclonal |
| Biozol Catalog Number      | AGR-AS22-4731                                                          |
| Supplier Catalog Number    | AS22-4731                                                              |
| Alternative Catalog Number | AGR-AS22-4731                                                          |
| Manufacturer               | Agrisera                                                               |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | WB                                                                     |
| Species Reactivity         | Plant                                                                  |
| Immunogen                  | PsaE of Chlamydomonas reinhardtii, UniProt: P12352                     |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | 10.7 kDa                                                               |
| Purity                     | Serum                                                                  |
| Form                       | Lyophilized                                                            |
| Application Dilute         | 1: 5000 - 1 : 10 000 (WB)                                              |
| Application Notes          | Can be provided with ProClin, if requested                             |
